

GINGERBREAD MAN WORD COUNT

1. Cut out the letters.
2. Use the letters to help you spell words.
3. Write down the words that you find.
4. When you are all done, write down your **TOTAL** number of words found in the **BOX** at the top of the page.

EXTRA — Share your list with a friend to see what words you both have and which words are different.

Name: _____

How many words did you find??

1	11	21
2	12	22
